

UNICEF WALK 2025–2026

Important information about a UNICEF walk

Ahlströmin alakoulu is organising a UNICEF walk on **15.5.2026**. UNICEF walk is an exercise event organised by schools, where pupils can show their support for the implementation of the rights of the child in developing countries.

This year, the UNICEF Walks are raising funds for Nepal so that children can attend school and receive a good education.

UNICEF walks in a nutshell

- Before a UNICEF walk, pupils find themselves one or more sponsors. The sponsor can be any adult or a local company, for example.
- The sponsor promises to donate a certain sum of money for each sticker that the pupil collects on their UNICEF walk.
- On the day of the UNICEF walk, pupils collect stickers for their walking achievements.
- After the UNICEF walk, the pupil shows their sponsor the stickers collected in their UNICEF walk passport. The sponsor donates the promised amount.
- It is also possible to participate in a UNICEF walk without a sponsor.

Please sponsor a UNICEF walk!

As a UNICEF walk sponsor, you are encouraging your local UNICEF walker to get moving and supporting children's school attendance in Nepal.

The UNICEF walk is raising funds for Nepal so that...

- children in Nepal can attend school and learn basic skills.
- Nepal can provide school supplies for every child.
- children in areas affected by earthquakes and floods can attend school.
